WEEK TWO - PROXIMITY MATTHEW 6:9a "...pray like this: Our Father..."

1. As sisters in Christ we have the capacity to either extend life-giving or life-taking words or deeds. Share the most life-giving word or deed anyone has ever shared with you.
2. Consider how the Lord's Prayer is a perfectly symmetrical prayer (Vertical/Horizontal, God's Glory /Man's Needs, Thinking Biblically/ Living Covenantally).
How does learning how to pray the Lord's Prayer inform all your other prayers?
3. Compare and contrast your earthly father with your heavenly Father. Discuss how thinking biblically about God as Father rather than experientially matters in your prayers.
4. As you read Luke 15:11-32, do you identify more with the younger prodigal son or the older prodigal son? Why? What did you learn in this story about the heart of the Father that encourages you?
5. As you reflected on our covenant "one-anothering" on pg. 37, share which command means the most to you and a story about how someone extended that grace to you.
6. Reflect on the idea of walking each other Home. Turn to pg. 39 and share a story about how a gospel friend or spiritual mother shaped your life.
7. What is one area of your life where God is maturing you so that you will grow up?
8. Share one or two of your personal takeaways from your study this week.

Close by praying the Lord's Prayer together.
