

What do the children in your church believe about God? About themselves? About their purpose? About their role? About others?

God has designed each of us for a unique PURPOSE and PLAN.

Are the young girls in your church hungry for something other than what the world offers them? Do they have an opportunity to experience what God has to give them?

Created for a Purpose began because a group of mothers wanted to make a difference! We believe that every girl deserves to hear that she is clothed in the righteousness of Christ and a daughter of the Most High King.

Created for a Purpose is a week-long creative arts camp that gives girls in rising 3rd through 8th grades the opportunity to use a variety of mediums to create beautiful artwork throughout the week. In addition to time spent working on their daily art projects, each day allows dedicated time for worship, solid biblical teaching, and small group discussion.

Created for a Purpose provides a unique opportunity to nurture children in your congregation in the gospel, as well as share the good news of Jesus Christ with visiting and non-believing families in a way unlike any Vacation Bible School or camp curriculum.

Girls will learn that they are created in the image of God. They will learn that God is a creative God who has made everyone with different talents and skills to be used for His glory and His purposes. They will walk away with tangible reminders that they are perfectly and wonderfully made by our Lord Jesus Christ.

The Biblical mandate in Titus 2 is for *“older women to teach the younger women...”* and this is another wonderful benefit of this ministry. While teaching girls to cook, create, and design, high school, college, and adult women can build

relationships with young girls that will hopefully last a lifetime. Seeing women of all ages and stages come together to serve alongside one another is a beautiful picture of commending the greatness of God to the next generation.

With this Biblical mandate as the foundation, we have developed project and spiritual curriculum that can be utilized in your church. In 2006, 22 girls met in a home. In the summer of 2023, more than 1,900 girls across 5 states and 14 churches participated in Created For A Purpose.

Our prayer is that through this ministry, God would draw young ladies to himself. We pray that you will consider opening the doors of your church to host Created For A Purpose.

BASIC FORMAT for Created For A Purpose

- ✧ One week (Five Days), 9:00 am until 1:30 pm
- ✧ Girls are divided into groups of 10-14, according to age.
- ✧ Girls complete a different creative project each day.
- ✧ Each day there is worship, lunch, teaching, and small group time.
- ✧ Talented volunteers assist in project rooms, giving women of all ages the opportunity to serve together.
- ✧ High school and college girls serve as counselors.
