

## **Made for More** **Schedule for Created for a Purpose Time with Girls**

### **Opening Greeting Time**

3 songs: 1 with motions, 1 upbeat, 1 slowing it down

Ingram teaching on Matthew 6:25-34:

- We use flowers and birds throughout Created for a Purpose materials. We want girls to be reminded of the passage in Matthew 6:25-34 where Jesus is speaking to the crowds and teaching them that their heavenly Father has created them, loves them, cares for, and provides for them. The passage starts with Jesus saying do not be anxious about your life.
- Asking girls if they are anxious, what types of things are they anxious of? Look at the birds—the Lord feeds them. Do we worry about what we are going to eat, or not eat? The Lord provides for the birds, and you are more valuable than the birds. Do you ever worry about what you are going to wear? If God clothes the flowers for the field, of course He is going to provide for you.
- Remind the girls of the Creation story in Genesis 1 and how the Lord made all things. He made man, male and female, in His image and it was very good. Your heavenly Father knows what you need – seek the kingdom of God and His righteousness first – He will take care of all that you need.
