Dear Florida Presbytery Elders,

Good afternoon! On behalf of Sherry Kendrick and myself, I would like to share an invitation. Please take a look at the attached flyer regarding the Made for More regional conference that is coming to Naples in November 2024.

This is a unique opportunity for girls third grade and older to attend a conference with their mothers, grandmothers, spiritual mothers, and friends. It's a tremendous opportunity for women to experience worship and prayer alongside their younger sisters-in-Christ. Please read the flyer and consider sharing the information with the women of your church.

As the Family Ministry Director at Covenant Church of Naples, Sherry is spearheading the on-the-ground logistics and planning for this fantastic intergenerational event. As the Women's Ministry Regional Advisor for Florida, I am working to make sure that all of our PCA Florida churches are aware of the event, and have opportunities to have their questions answered. We are both praying for 500+ girls and women from the Florida Region to attend this conference!

Sherry and I are available to respond to questions or to help with any concerns about the conference. Please don't hesitate to contact us.
