

## **Intergenerational Icebreaker—A Few of My Favorite Things**

- Please pick an engaging older and younger woman from two different generations who have some relationship: Mother/ Daughter, Children's Ministry Leader/Student, Youth Ministry Leader /Student, Grandmother/granddaughter, Spiritual Mother/ Spiritual Daughter.
  - Provide a large spiral sketch book or card stock for them to write their answers in this order. Ask them not to share their answers.
  - Have an emcee prompt each question. Then, they will flip in order older/younger and answer in an older/younger popcorn fashion.
  - The idea is to show that we are more alike than different...and where we are different, that makes living life together more fun!
