Jesus, Women, and Sexual Faithfulness: What This Means and Why It Matters with Ellen Dykas (for adults and girls Grades 9-12 with special permission from adult bringing her): What is sexual faithfulness, as unmarried and married women, and what does Jesus have to do with it? Jesus didn't shy away from these topics and the gospels reveal our Savior as a gentle, pursuing, seeing, and healing Lord who cares about women in their experiences of brokenness. This break out time will show how our faithful Lord is what women need regarding sexual integrity, healing from painful relational experiences, and a living hope to grow towards wholeness and transformation.
