

## 2025 WOMEN'S MINISTRY LOVE GIFT

The wives of elders often face unspoken expectations and misperceptions when it comes to their role. They balance the role of being a church member, a friend to many, and a supportive spouse to their husband.

Our vision is to see the wives of elders equipped and encouraged. Through a strategic partnership between CDM and Geneva Benefits Group, the 2025 Women's Love Gift will make it possible for the wives of elders to receive:

### COUNSELING

Provide 100 PCA pastors' wives with access to confidential Christian counseling through Cherish.

### TRAINING

Host a conference for 300 PCA elders' wives to receive training.

### ENCOURAGEMENT

Enable wives of elders to connect with one another for mutual support and encouragement.

**We need your help** and invite you to:

**SHARE:** On a Sunday morning in your church or as you gather for a women's Bible study or event, show the Love Gift Video that highlights stories of how your gift can impact lives, homes, and churches.

**CONNECT:** Consider how you and your fellow members can lift up the wives of elders in your church.

**PRAY:** Ask God to use these gifts of counseling, training, and encouragement to strengthen the women of Christ's church.

**GIVE:** Coordinate with your church's leadership to take up a collection or give directly to the fund.
